16 PRISCILLA

+16 Priscilla Guice was born February 20, 1755 in either Pennsylvania or North Carolina. Priscilla married Nathaniel Kinnison ca 1779. Nathaniel was born ca 1755. (This Nathaniel Kinnison should not be confused with the other Nathaniel who served in the Revolutionary War as a private in Capt. James Neal's Company of the 13th Virginia Reg't commanded by Col. William Russell. This Nathaniel Kinnison enlisted in August of 1777 for three years but deserted on August 25, 1777. His will was filed in Bath County, Virginia. Another Nathaniel Kinnison is listed in the book, Virginia's Colonial Soldiers by Lloyd DeWitt Bockstruck. He is listed as serving in the Dunmore's War 1774 as one of the names of soldiers on the pay rolls at Pittsburgh under Capt. Samuel Kinkade.)

Nathaniel, husband of Priscilla could be the son of the famous David Kenniston of the Boston Tea Party. Family legend says that the T was dropped from the name after the Boston Tea Party.

Nathaniel Kennison was among the 154 inhabitants of Natchez to sign a petition in 1779. "A Petition by the English Inhabitants of The Natchez Area in 1779" The petition is located in the Library of Congress, Manuscript Division, Volume 580, p. 328. This petition was located and published by Mrs. Mary A. Peterson in the Louisiana Genealogical Register Volume 29. The petition was sent to Governor Chester and listed their grievance. Which were not to send Indians for the defense of the district *"as most of us are too well acquainted with the Indians to put the least confidence in them. The Indians formerly sent here was a reason why many People and families left their Habitations. But another such visit forced upon us, we fear, will add to an unhappiness and too, probably to the Country's desolation. And we, a Loyal People, why then shall we be forced to leave our settlements and fly to a Despotic Dominion."* Also, they felt that the price the army paid for cattle to feed the troops and Indians was too low. This petition is very important because it gives us an insight into the feelings of the settlers. This list of those inhabitants places Christopher Sr. in Natchez.

This family was in Opelousas Parish, Louisiana when their first child, John, was born on December 21, 1781. During this period, many other Kinnison family members were in this area but no family connection has been determined.

Nathaniel Kinnison was on the 1792 Spanish Census of the Natchez District in the District of Villa Gayoso. In his household was 3 white males under 15; 1 white male age between 15 - 50; 2 white female under 15; 1 white female between 15 - 50; 1 male negro and 1 female negro; 1 individual able to carry firearms. Large number of livestock in this census.

Nathaniel Kennison: Spanish land grant Claim #104, 500 acres in Natchez District on Cole's creek, 20 miles east of Fort Panmure, on June 7, 1795 on Cole's Creek bound

by Luis Faure and vacant lands June 17, 1795. This land was in Franklin/Adams Counties Section 28, Township 7, Range 1 East & West.

On October 5, 1802, Nathaniel was on a committee in Adams County to map a road from Elliott's Villa to Capt. (Jacob) Guice's. On June 4, 1804, Nathaniel was the overseer of poor in Capt. Abram Guice's District in Adams County. He paid taxes in Adams County in 1805, 1807, 1808 and 1810. In 1809, Nathaniel and Priscilla sold part of his land on Cole's Creek which was part of the land on which he lived, deed recorded in 1831. This most likely was the land in Adams County because he was listed in Franklin County 1810 Census (Franklin County was established from part of Adams County in 1809). In 1811, he was taxed on 250 acres in Franklin County. Nathaniel was drafted into service of the War of 1812 under Colonel F. L. Claiborne and Captain Jacob Guice. He enlisted on September 19, 1812 for 3 months and was discharged on November 30, 1812 at Baton Rouge, Louisiana. He was listed on the 1816, 1820 and 1830 census of Franklin County. Nathaniel sold the small part of his land that was located in Adams County, on May 17, 1828 to Philip Hoggatt.

On October 22, 1831, Deed T, pages 86 and 87 Adams County, Nathaniel and Priscilla sold land. Other land was sold on December 12, 1834 and on February 24, 1836 in Franklin County. Nathaniel was still alive on February 24, 1836 but they were not listed in the 1840 census or any other records.
